

**DEPARTMENTS AND SUB-UNITS INCLUDED IN STATISTICS FOR
COALITION FOR NEXT GENERATION LIFE SCIENCE**

Anesthesiology: *Includes postdocs from: Anesthesiology-Basic Sciences; Anesthesiology-Cardiac Division; Anesthesiology-DIPT Division; Anesthesiology-Neuro Division; Anesthesiology-Pain Division; Center for Translational Pain Medicine*

Biochemistry

Biology

Biomedical Engineering

Biostatistics and Bioinformatics: *Includes postdocs from: Division of Integrative Genomics*

Cell Biology

Center Applied Genomics and Precision Medicine

Center for Autonomous Materials Design

Center for Biologically Inspired Materials

Center for Brain Imaging and Analysis

Center for Human Disease Modeling

Center for Human Genome Variation

Center for Materials Genomics

Center for Metamaterials and Integrated Plasmonics

Center for Study of Aging

Center for the Environmental Implications of NanoTechnology (CEINT)

Chemistry

Civil and Environmental Engineering

Community and Family Medicine: *Includes postdocs from: Duke Physician Assistant Program; Family Medicine and Community Health; Family Medicine-Research and Education*

Computer Science

Dermatology

Duke Cancer Institute (DCI): *Includes postdocs from: Duke Cancer Institute (DCI) Cancer Control (CPDC), Neuro Oncology*

Duke Clinical Research Institute (DCRI): *Includes postdocs from: Center for Informing Health Decisions, Center for Learning Healthcare, Imaging Program, Pharmacometrics Center*

Duke Global Health Institute

Duke Institute for Brain Sciences: *Includes postdocs from: Cognitive Brain Sciences*

Duke University Energy Initiative

Duke University Population Research Institute (DuPri)

Electrical and Computer Engineering

Evolutionary Anthropology

Genomic and Computational Biology (GCB)

Human Vaccine Institute

Immunology

Institute for Genome Sciences and Policy Applied Genomics (ISGP)

Lab Animal Resources

Lemur Center

Mathematics

Mechanical Engineering and Material Science

Medicine - Cardiology

Medicine - Endocrinology and Metabolism

Medicine - Gastroenterology

Medicine - General Internal Medicine

Medicine - Hematologic Malignancies & Cell Therapy

Medicine - Hematological Malignancies

Medicine - Hematology

Medicine - Infectious Diseases

Medicine - Nephrology

Medicine - Oncology

Medicine - Pulmonary

Medicine - Rheumatology and Immunology

Molecular Genetics and Microbiology

Molecular Physiology: *Includes postdocs from: Sarah W. Stedman Nutrition Center*

National Evolutionary Synthesis Center (NESCent)

Neurobiology: *Includes postdocs from: Parkinson's Disease and Movement Disorders*

Neurology

Neurosurgery

Nicholas School of the Environment: *Includes postdocs from: Division of Marine Science and Conservation; Earth and Ocean Sciences Division; Environmental Sciences and Policy Division*

Nursing

Obstetrics and Gynecology: *Includes postdocs from: Gynecology Oncology and Maternal-Fetal Medicine*

Office of Biomedical Graduate Education (OBGE)

Ophthalmology: *Includes postdocs from: Corneal Ophthalmology; Glaucoma Ophthalmology; Retinal Ophthalmology*

Orthopaedics: *Includes postdocs from Department of Physical Therapy*

Pathology Research

Pediatrics - Allergy/Immunology

Pediatrics - Blood and Marrow Transplantation

Pediatrics - Cardiology

Pediatrics - Chairman Office

Pediatrics - Endocrinology

Pediatrics - Hematology/Oncology

Pediatrics - Infectious Diseases

Pediatrics - Medical Genetics

Pediatrics - Neonatology

Pediatrics - Nephrology

Pediatrics - Neurology

Pediatrics - Primary Care

Pediatrics - Pulmonary and Sleep Med

Pharmacology and Cancer Biology

Physics

Population Health Sciences

Psychiatry and Behavioral Sciences: *Includes postdocs from: Addictions; Behavioral Medicine; Brain Stimulation and Neurophysiology; Child and Family Mental Health and Developmental Neuroscience; General Psychiatry; Geriatric Behavioral Health; Medical Psychology; Psychiatric Social Work; Social & Community Psychiatry; Translational Neuroscience*

Psychology and Neuroscience

Radiation Oncology - Cancer Biology

Radiation Physics

Radiology: *Includes postdocs from Chest Radiology*

Research Triangle Materials Research Science and Engineering Center (MRSEC)

Science and Society

Statistical Science

Surgery: *Includes postdocs from: Abdominal Transplant; Advanced Oncologic and Gastrointestinal Surgery; Cardiovascular & Thoracic Surgery; Duke Center for Metabolic & Weight Loss; Division of Plastic, Maxillofacial, and Oral Surgery; Surgical Sciences; Urology*
